A Snapshot look at local businesses

Attic Treasures & Gifts is owned by Rich and Karen Smythe. Located in the Village Plaza across from Farm & Fleet, business hours are Monday - Thursday 9am-7pm, Friday 9am-8pm and Saturday 9am-5pm. Many people assume it is an antique store because of the name, but this is definitely not the case. Attic Treasures & Gifts has a wonderful collection of quality gift items. The Smythe's have been avid collectors for many years and this new business seemed to be a natural progression of this interest. Their background of buying and selling on the secondary market was great training for the new venture.

Opened in October of 2005, Attic Treasures & Gifts carries many major lines of gifts and collectibles. They have a huge selection of Boyd's Bears, a wonderful assortment of Dept. 56 figures, Yankee Candles and Beanpod candles. One of their most unique items is the line called "Love N Stuff".

With Love N Stuff, anyone can come in and "Build A Buddy" and have it stuffed while you watch and wait. Choose from a wide assortment of different cuddly, animals, from bears to monkeys and puppies to unicorns, in a variety of colors. Then, pick out an outfit for their trip home. There are clothes to fit them all. Want to make a child feel special? Attic Treasures & Gifts offers "Build A Buddy" birthday parties where the guest of honor and friends get to take home a buddy of their own.

Build A Buddy is always expanding to offer the best variety in the area. And, Karen and Rich know that the gift business in general is constantly changing and people's interests are wide and varied. "We are always looking for new and unique gift items and new lines to offer our customers."

Karen and Rich admit that their business philosophy is influenced by life in general. They take lessons from people they have worked for and stores in which they have shopped themselves. "Service and attitude is so important. We believe in treating our customers the way we like to be treated when we shop." The most rewarding thing for them since the start up of their business has been "the satisfaction of helping to find the perfect gift for the special someone in people's lives; helping the child in all of us do something for someone we love."

Attic Treasures & Gifts is a must stop for anyone who is looking for a gift for the home or heart.
